Subject: ONLINE ENTRANCE TEST (ECAT-2026, First) at UET, LAHORE

As Salam u Alaikum,

Respected Sir,

As per the direction of the Government of Punjab, University of Engineering and Technology (UET) Lahore has been conducting the combined Entrance Test for admission in Public Sector Engineering and Technology institutions of Punjab since 1999. As per the multiple notifications of Pakistan Engineering Council, this entrance test is mandatory for admission in the undergraduate engineering programs of public / private engineering institutions and as well as for computing and other disciplines where it is applicable for admission in UET Lahore. This is the first entrance test this year. As per the instruction of PEC, applicants should be given multiple chances, and the best result should be taken when merit is being determined during the admission process. The score in this ECAT will be valid for admission in UET in Fall 2026. There is no passing threshold for any program and no negative marking in ECAT as well.

In the last four years, UET Lahore has conducted computer based combined ECAT at UET Lahore and its participating public-sector engineering institutes. The Entrance Test (ECAT-2026, First), copy of advertisement is attached, will in shaa Allah be held from Monday through Friday (i.e., March 30 to April 03, 2026). Since the exam is being conducted at a different time than usual, therefore, it is requested that you kindly disseminate the information to all potential candidates, who are appearing in F.Sc. Part-II annual examination 2026, in your board. I also request you to kindly inform all the candidates via sms as well. You can also access this information at:
