PUBLIC NOTICE

Although the Diploma of Associate Engineering (DAE) was declared equivalent to F.Sc (Pre-Engineering) by Inter Board Committee of Chairmen (IBCC), but Engineering Universities denied admissions in engineering graduation courses to DAE holders on open merit. Instead, 2% quota for DAE holders for admissions in engineering courses in universities was arbitrarily fixed.

It is informed that honorable Supreme Court of Pakistan, in Civil petitions numbers 271, 293 & 617 of 2021, has allowed admissions to B.Sc (Engineering) on open merit and through open competition amongst the F.Sc. and DAE holders. The Apex court held two percent reserved quota seats ultra vires and unlawful.

All the concerned should stay informed that from now on, DAEs are eligible for admissions to engineering graduation courses in all universities on open merit.
